

### REMARKS

This amendment is presented in response to the Notice to File Corrected Application Papers: Notice of Allowance Mailed (hereinafter referred to as the "Notice") mailed by the Publication Branch, Office of Data Management on December 13, 2010. The Notice of Allowance was mailed for this application on October 29, 2010.

The Notice indicates that the application contains certain informalities which must be corrected. Specifically, the Notice points out that the substitute specification submitted on March 1, 2010 for this application contains a reference, on page 8, to **Figure 13C**. However, the drawings filed on April 27, 2010 for this application do not include any drawing with that designation. In response, page 8 of the specification is amended, *supra* and pursuant to 37 C.F.R. § 121(b)(1), to correct this informality. The reference to **Figure 13C** has been removed from this paragraph, and replaced with a reference to the reaction scheme in **Figure 13B**. Upon reviewing the specification, Applicants determined that page 40 contains another reference to **Figure 13C**. Accordingly, the paragraph on page 40 of the substitute specification has been likewise amended.

The foregoing amendments are limited to the correction of these informalities and do not introduce new matter. Moreover, because the Issue Fee is being transmitted concurrently with this Response, the amendment is believed to comply with the requirements of 37 C.F.R. § 1.312 for amendments after allowance. However, should the Office determine that the amendment does not comply with the requirements of 37 C.F.R. § 1.312, Applicants respectfully request that the Office of Patent Publication waive those requirements and enter the foregoing amendments pursuant to the *Official Gazette* notice: "Waiver of 37 C.F.R. 1.312 for Documents Requirement by the Office of Patent Publication," 1280 *Off. Gaz. Patent Office* 918 (March 23, 2004); *see also* M.P.E.P. § 714.16(d), Subsection III (8<sup>th</sup> Edition Revision 7, July 2008).

Entry and consideration of these amendments are respectfully requested.

Respectfully submitted,

Date: January 31, 2011
